### LATEST ACTIVITY

- [Rick Barney](#) replied to the discussion [Temperature Data Loggers](#) April 21  
" I only have Sensitech but a company called Cargo Data has contacted us and they will be at the AEC."
- [Rick Barney](#) is now a member of FAFP Food Safety Forum April 21
- [Eric Martin](#) replied to the discussion [Temperature Data Loggers](#) April 20  
" Thanks, I will let it sit out there and see if anybody else replies. "
- [fafpnet](#) replied to the discussion [Temperature Data Loggers](#) April 20  
" The members may have not selected alerts to this item to have known you entered this discussion. Unless they select those options, they will not be alerted when there is something new added to the site."
- [fafpnet](#) replied to the discussion [Temperature Data Loggers](#) April 17  
" I have not had any experience with any, sorry! "
- [Eric Martin](#) added a discussion [Temperature Data Loggers](#) April 17  
Has anybody had success using ThermaData data loggers from Thermoworks? I have used TempTales from Sensitech in the past, but wanted to look at another option.
- [Peter Hibbard](#) and [Eric Martin](#) are now friends March 27
