 Florida Association for Food Protection, P. O. Box 160032, Altamonte Springs, FL 32716-0032

The Florida Association for Food Protection is a non-profit corporation affiliated with the International Association for Food Protection. Our membership is comprised of professionals from the food industry, government and universities, each dedicated to preserving and enhancing food safety throughout Florida. Your membership demonstrates your support and commitment to promoting food safety in Florida. It helps the Association in the development of procedures, new legislation, ideas and methods. Your membership allows us to educate food safety professionals in all areas, advancing our knowledge and awareness of safe food handling.
